

TITAN

R600

Single Skin Oil Tank Specification Sheet

Single skin oil tanks are the ideal solution for domestic applications where bunding is not a legal requirement.

The R600 Kingspan single skin oil tank has a small footprint of only 0.92m². The slimline model is ideally suited to houses with limited space and access restrictions. The tank is light in weight and narrow, making it much easier for installers to manoeuvre and fit through and into tight spaces.

It comes with similar features as the Kingspan Single skin oil tank range which is available up to 10,000 litres.

The tanks can also come with Watchman Sonic Oil Monitor.

Benefits

- > 2 year guarantee*
- > Low maintenance - no rust, no painting
- > CE marked and manufactured to ISO standards for your complete peace of mind

Features:

- > 1" Outlet
- > 4" Lockable Lid and 2" Vent Cap
- > Bottom Outlet
- > Suitable for the storage of Kerosene (C1/C2), fuel oil (A2) and gas oil/diesel including bio diesel (HVO) as defined in BSEN2869, BSEN590 and BSEN15940

kingspan.ie/oil

* 2 year warranty applies to tank only

Optional Extra: Watchman Sonic Tank Pack

Watchman tank pack available on request; greatly reduces installation time. The Watchman Sonic Receiver uses ultrasonic level measurement to continually monitor tank level, which helps you to ensure that you never run out of oil.

Tank Pack consists of:

1. Watchman Sonic Transmitter
2. Watchman Sonic Receiver
3. PTFE Tape
4. Gate Valve and Filter

Suitable for the storage of kerosene (C1/C2), fuel oil (A2), gas oil/diesel (D), and biofuel as defined in BSEN2869, BSEN590, and BSEN14214.
