

DeWALT Power Tools (DEWDCMB562N)

DCMB562N XR Brushless Axial Blower 18V Bare Unit

The DEWALT DCMB562 XR Brushless Axial Blower delivers fast, efficient clean ups both indoors and outside. Its brushless motor has been designed to run cooler and more efficiently, enabling more power to be delivered during applications, resulting in less wear and increased longevity of the tool. The Aerospike Concentrator focuses airflow and increases speed for maximum productivity. It also doubles as a robust scraper, effectively removing impacted leaves, moss, mud, grime and other embedded matter. This versatile and powerful cordless blower will be welcomed by an array of professional users including construction teams, carpenters, metal and woodworkers, gardeners, landscapers, park clean up workers and clearance specialists. Specifications: Max. Air Speed: 200km/hr. Weight: 3.6kg. The DEWALT DCMB562N XR Brushless Axial Blower comes as a Bare Unit. No Battery or Charger supplied.
