

STANLEY® (STA198460)

# 1992B Knife Blades Heavy-Duty Twin Pack (2 x 10)

The Stanley 1992B blades are heavy duty general purpose blades which fit all standard Stanley knives. The trapezoid shaped blades are highly resistant and reversible. These blades are ideal for carpet, vinyl and any other material requiring a stiffer and stronger blade. Specifications: Blade length: 62mm, Blade thickness: 0.65mm, Blade height: 19mm. The Stanley STA198460 1992B Knife Blades are supplied as a twin pack, each containing 10 blades.
