

STANLEY® Hand Tools (STA020559)

FatMax® Folding Jab Saw 130mm (5in) 8 TPI

The Stanley FatMax® Folding Jab Saw with a three blade locking angle mechanism at 90°, 135° and 180°. Its triple bevelled toothing allows easier cutting that is up to 50% faster. The blade's sharp point is ideal for punching through plasterboard. For a comfortable and secure grip, the jabsaw has an anti-slip ergonomic bi-material handle.
